**COMMODITY SPECIFICATIONS
CANNED FRUIT**

The purpose of this amendment is to amend Section I, J to allow use of private label packaging labels on both the primary and secondary containers of size 24/#300 product, provided that all individual secondary containers have both lot number and date code allowing for product tracking within two hours.

All other terms and conditions remain unchanged.

Sincerely,

A handwritten signature in dark ink, appearing to read "Susan E. Proden", written over a horizontal line.
